

## CITRA HOP SPARKLING WATER

**TASTING NOTES:** Citra CBD offers up a crisp, refreshing beverage that is hard to resist opening a second can of. A great way to enjoy a non-alcoholic beverage but with a nod to the flavors of a craft beer.

As the name suggests this hop's main draw is a fruity citrus character one you'd expect from an IPA but one that comes up all zeros. Yes, zero alcohol, zero calories, zero carbs, zero sodium, zero sugar and zero fat. Includes 25mg of CBD per can.

**AVAILABILITY:**  
16oz Can
