

CURRANT FASCINATION

SOUR ALE

TASTING NOTES: In this 5.8% kettle soured batch, we added 1,200+ pounds of black currants that imparts a gorgeous deep purple hue. We allowed the fruit to shine as the black currant's natural sweetness and earthy flavors bring an added layer of complexity to the initial burst of tartness before fading into a sweet finish. Taste our fascination and find your inspiration!

AVAILABILITY:
1/2 BBL
1/6 BBL
16oz Cans
5.8% Alc. by Vol.
