

HIGHER CALL

HELLES BOCK

TASTING NOTES: Five days before Christmas in 1943, a German pilot had a crippled American B-17 in his sights. But after exchanging a nod with the crew, he spared the plane..and several lives. This robust German lager celebrates that act of military honor and pays tribute to the “higher call” answered that day. Inspired by the painting and the book of the same name “The Higher Call”.

AVAILABILITY:
16oz Can
ABV 6.5%
