

## THE LIGHT KEEPER

### GOSE

**TASTING NOTES:** This 4.8% German Style Gose is kettle soured with key limes. From the first sip this fresh, crisp Gose bursts with a wonderful citrusy aroma that is followed by the perfect balance of a Tart key lime pie that's been sprinkled with the salty goodness of the shore. It's a refreshing blend for a warm summer day, whether you are at the beach or barbecuing on your back deck, this Key Lime Gose is a definite Keeper.
