

SPIKED SMOOTHIE

LEMONADE

TASTING NOTES: No offense to margaritas and G&Ts, but all other refreshing summer drinks are now playing for second place. Imagine the fresh-squeezed, ice-cold lemonade of those childhood front-yard stands....Just spiked for the grown-ups. Until it's possible to can summer, this is what it tastes like.

AVAILABILITY:

1/2 BBL
1/6 BBL
16oz Cans
5.0% Alc. by Vol.
