

THE SAILOR'S DREAM

GOSE

TASTING NOTES: This 4.8% Gose is a blend of the salt from the ocean with the cool breeze of the sea. Kettle soured with Calypso cucumbers, this bright golden brew is lightly carbonated and pours cloudy. The aroma is straight cucumber juice with hints of lemon and herbal bitterness before settling in, again, to sweet cucumber. It is a refreshing, cool as a cucumber drink- the perfect addition to any hot summer day. Seas the day or night and taste why this Gose is a Sailor's Dream.
